

Venture

2019-2020

Mission Statement: Venture seeks to glorify God through service; by inspiring and equipping others to boldly stand for truth with Christ-like character.

Class size is limited so early registration is advised.

Normal class day begins at 8:30 and ends at 2:30 unless your student is registered for electives.

ELEMENTARY: The Kindergarten – 5th grade program will include Spanish, History, Science, Physical Education, Chapel, Bible, Music, and Geography. This learning adventure will be a God centered, hands on opportunity for the students to explore the world God created! Registration (non-refundable) is \$110 per student. Fees are \$900/year per student. Monthly payment plans are available. We also have several after school electives available for elementary students:

1. Game time Fitness - 2:30-3:30 (\$270 /year)

2. Chess Club - 2:30-3:30 (\$100 /year)

UPPER SCHOOL: The Middle School and High School Adventure allows you to pick and choose courses that your student is interested in pursuing. Students have the opportunity to learn from a Christian worldview perspective with a teacher who is passionate about the subject. Venture is a college preparatory program; therefore, most courses require *extensive outside teaching time by the parent*. Enrollment fee (non-refundable) is \$110 per student.

NOTE: Please read the course descriptions carefully and prayerfully consider each course prior to making your course selections as refunds will not be issued for dropped classes after September 1st since we can rarely fill those vacant spots. Sixth grade students and new Venture students may drop a course with no penalty until October 1, 2018. [Upper school students are required to take three courses to remain in the program.](#) (Exceptions to this rule for seniors will be considered on an individual basis.)

Courses will require textbooks and/or supplies. Tuition for upper-school courses is as follows:

1 hour courses - \$270 / year per student

*** 2 hour courses** - \$495 / year per student

**** 3 hour courses** - \$675 / year per student

***** Computer** - Software access fee of \$25 additional
