

Venture

2021-2022

Mission: Venture seeks to glorify God through coming alongside homeschool families by inspiring and equipping students to boldly serve and stand for truth with Christ-like character.

Class size is limited so early registration is advised.

Normal class day begins at 8:30 and ends at 2:30 unless your student is registered for electives.

ELEMENTARY: The Kindergarten – 5th grade program will include Spanish, History, Science, Physical Education, Chapel, Bible, Music, and Geography. This learning adventure will be a God-centered, hands-on opportunity for the students to explore the world God created! Registration (non-refundable) is \$125 per student. Fees are \$950/year per student. Monthly payment plans are available. We also have several after school electives available for elementary students. Art class has a supply fee of \$30 per semester.

1. Game time Fitness - 2:30-3:30 (\$150/year)

3. Art – 2:30-3:30 (\$275/year plus supply fee of \$30 per semester)

UPPER SCHOOL: The Middle School and High School Adventure allows you to pick and choose courses that your student is interested in pursuing. Students have the opportunity to learn from a Christian worldview perspective with a teacher who is passionate about the subject. Venture is a college preparatory program; therefore, most courses require *extensive outside teaching time by the parent*. Enrollment fee (non-refundable) is \$125 per student.

NOTE: Please read the course descriptions carefully and prayerfully consider each course prior to making your course selections as refunds will not be issued for dropped classes after September 1st since we can rarely fill those vacant spots. Sixth grade students and new Venture students may drop a course with no penalty until October 1st. Upper school students are required to take three courses to remain in the program. (Exceptions to this rule for seniors will be considered on an individual basis.)

Courses will require purchase of textbooks and/or supplies. Prices below are for tuition only:
